

About Kent United

Kent United is the competitive select program for Kent Youth Soccer Association. If your child has progressed through recreational soccer and wants to take their game and skills to the next level, KYSA has programs for every level of player.

The **Kent United' Program** is designed for the player seeking a higher level of competition than is available in our recreational soccer leagues, without the greater time and financial commitments of premier soccer. While select is a higher level of play and commitment, we stress maintaining balance between school, family life, other sports and keeping it fun – the foundation for a life-long love of the game.

Coaches—Being a select coach can be very rewarding. Our coaches are qualified volunteers who enjoy developing players and advancing their own level of knowledge through coaches training and licensing classes. They love soccer; that's why they coach! If you're interested in coaching we are happy to help in that process.

COMMITMENT, RESPECT, EXCELLENCE

2009 – 2010 Team Budget	
Registration	\$169
Uniform	\$100
Tournaments	\$70
Field Rentals	\$30
Total Player Cost	\$369

Fundraising and Sponsorship

Over the course of the season, the team will participate in several different fund raisers. Additionally, we’ll look at several different corporate sponsorship opportunities.

All of the monies collected will go directly to the team and reduce the cost per player.

2008 – 2009 Season Results

Our GU11 Recreational team went 7-1-1 in the District 3 Fall League and took second place in our bracket. Our girls outscored their opponents 32 – 9 and our only loss was 0 – 1 on a last minute penalty kick.
